

No more varicose veins. *Bring it on, summer.*

*Planning a winter getaway?* If you want a trip you'll remember forever – pack your shorts and sundresses, and leave your varicose veins with Veradia Vein Center. The interventional radiologists at Veradia are trained to remove uncomfortable varicose veins using minimally invasive techniques. It's simple, it causes only minimal discomfort and it produces positive results. The best part? Most procedures are covered by insurance, and we now offer Care Credit (a payment option for our patients) as well!
