

*If your varicose veins are bringing you down,  
we're pretty good at taking away  
the wintertime "blues."*

**Looking at ugly varicose veins can be depressing.** Even worse, they can be painful and make even everyday activities harder to do. The good news is that now is a great time to discover our medically advanced laser procedure, which can eliminate varicose veins without surgery. You'll experience minimal discomfort and no downtime, so your upcoming winter beach vacation will be much more relaxing! What's more, results are immediate and last forever in 97% of cases.

Don't spend all winter covering up, when you could let us help take the "blues" away. For more information, call Veradia at **338-9740** and schedule a private consultation with Dr. Matthew Casey.
